DECARBONIZATION SPECIALIST

New York State Homes and Community Renewal (HCR) is the State's affordable housing agency, with a mission to build, preserve, and protect affordable housing and increase homeownership throughout New York State.

Under the leadership of Governor Kathy Hochul and Commissioner RuthAnne Visnauskas, **HCR** is a vibrant, innovative agency that integrates and leverages New York State's housing resources. We have offices in New York City, Albany, Buffalo and Syracuse, and employ a diverse workforce of professionals who are hard-working and committed to serving low- and moderate-income families. Our mission is far reaching, encompassing single and multifamily housing finance, home improvement, rent regulation, housing subsidies, and community development. We partner regularly with a variety of public and private stakeholders.

Achieving this mission requires a wide range of skills and backgrounds in public policy, administration, real estate, architecture, finance, law, and many other areas of expertise. We seek to provide a workplace environment that is productive, flexible, accountable, ethical, and caring. Our employees are empowered to make a difference where they live and work. We offer competitive pay and a comprehensive benefits package, including paid leave, health, dental, vision, retirement, and family-friendly policies.

The Office of Housing Preservation manages HCR programs that maintain and enhance the state's portfolio of existing affordable housing. We enforce the Rent Laws in New York City for over 900,000 housing units, while providing federal and state rental assistance to assist more than 100,000 families across the state. We also monitor 170,000 low-income housing units financed with federal and state resources and provide grant funding to help homeowners and tenants save energy.

The Statewide Asset Management Unit is responsible for the asset management and compliance monitoring of the Agency's existing affordable housing portfolio. This portfolio has been financed under various Federal and State housing programs including the Low-Income Housing Tax Credit; Housing Trust Fund; HOME.

JOB SUMMARY:

The Decarbonization Specialist will provide technical expertise for various energy efficiency and decarbonization programs within NYS Homes and Community Renewal's Office of Housing Preservation. This position will work closely with the Sustainability Program Manager to manage the existing Clean Energy Initiative Program and future decarbonization programs to successfully align the State's Decarbonization goals under the direction of the VP of Sustainability. Responsibilities include, but are not limited to:

Homes and Community Renewal

Job Opportunities at New York State Homes and Community Renewal

- Manage the technical assistance reviews for the Clean Energy Initiative Program
- Support the technical review and maintenance of HCR's Sustainability Guidelines
